INFORMATION PERTAINING TO AMBER LIGHT PERMITS

ELIGIBLE:

Vehicles being operated by employees of the New Jersey Highway Authority (NJHA) and South Jersey Transportation Authority (SJTA) and employees of contractors and subcontractors who are required to use a vehicle owned or leased by him or her in the performance of their duties at NJHA or SJTA worksites.

POSSESSION AND EXHIBITION OF PERMIT:

A permit must be in the possession of the operator at all times when the special amber identification light is displayed on the vehicle, and must be exhibited upon the request of any law enforcement official.

PERMIT VALIDITY; CANCELLATION; REVOCATION:

The special amber identification light permit is valid for four years from the date of issuance or until the termination of the contract, whichever period is shorter. The permit is non-transferable. Termination of the type of employment or service for which the permit was issued, or the sale, transfer, disposal or termination of the lease of the vehicle for which the permit was issued, automatically and immediately cancels the permit and invalidates the authority for use of such a light. The permit is to be surrendered to the Motor Vehicle Commission by the permit holder within 10 days from the cancellation or revocation.

MOUNTING OF LIGHTS:

Amber warning lights shall be mounted so that at least one light is clearly visible from every direction when the vehicle is being used for the performance of duties as specified by the NJHA or SJTA.

APPLICATION:

Contractor or Subcontractor Employee: The application must be completed in its entirety by the employee of the contractor or subcontractor, countersigned by an authorized representative of the contractor or subcontractor and signed by the Executive Director or their designee.
